MONDAY MORNING AT SCHOOL...

Great game, Clark!

What a win!

We can't lose with you at quarterback!

Why ***hello*** there, Rita. Want an autograph from the M.V.P.? Or I could come over to study this afternoon, and we—

Straighten up, Kent. Time for class.

I have an announcement. A special event will be taking place this week at Smallville Middle School.

A nationwide exam will be conducted here at school. Top scorers may earn the chance to compete for a summer internship in Metropolis.

BRAINWAVE

ATTENTION ASPIRING JOURNALISTS:

No way. Nothing cool ever happens in Smallville.

ATTENTION ASPIRING JOURNALISTS!

The Brainwave Foundation is looking for bright young minds interested in the exciting field of news reporting.

We're conducting a nationwide search through our ***special contest.***

Selected students will be flown to Metropolis to compete for the ***grand prize:*** One of two summer interns at the *Daily Planet!*

A written test will be administered during the last hour of school on Wednesday afternoon. Everyone is eligible to participate, but there's no requirement to do so.

If you think this all sounds strange, well...that's because it is. I've never heard of the like before.

Just do your best, but don't get your hopes up. There's no guarantee that anyone from Smallville will be selected.

No one from Smallville?

Yeah, right.

Okay class, open your textbooks to the section on chlorophyll byproducts...

Man, a whole summer in Metropolis!

Imagine! Three months in the center of **everything.**

Otherwise, I'll be stuck here shucking corn. This is my chance to get away!

RRRIINNGGG

I have to do whatever it takes to win this contest.

BRAINWAVE
Wow.
Talk about overkill.

Can you believe this? It's ***wild.*** When did they put all these posters up?

No idea.

WIN WIN!!

It's a little... creepy.

CONT

Creepy? I think you mean ***amazing!*** I could win an internship at the *Daily Planet!* My dream come true!

I wonder what the exam will cover?

Could be anything. Ms. Jordan said they're not telling anyone beforehand, not even our teachers. But the finals take place inside LuthorCorp Tower!

Seriously? Very cool.

I've been to the observation deck! It's so high I almost threw up.

I was ***born*** to win this contest. Mark it down— I'm going to Metropolis!

You're perfect for it, Eliza. Good luck!

*Not so fast. If they only take one winner from Smallville, it's going to be **me.** This is my ticket out of here!*

*And name something I **haven't** won lately.*
